

Pierce College Strategic Plan

I. Coordination with LACCD and State Strategic Plans

In developing this planning process for the college, we have taken into account the planning processes at the Los Angeles Community College District and the Chancellor’s Office of the California Community Colleges. We have done this as the college is the local extension of the district and the larger state system. The connection between Pierce’s goals and those of the district and state are presented in the table below.

College Goals	LACCD Goals	State Goals
1. Excellent programs	3. Excellence	D. System effectiveness
2. Student readiness/success	1. Access 2. Student success	A. College awareness and access B. Student success and readiness
3. Cultural and pedagogical diversity	1. Access	A. College awareness and access
4. Effective use of technology	1. Access 2. Student success 3. Excellence	B. Student success and readiness C. System effectiveness
5. Enhance community relations	5. Collaboration	B. Partnerships for economic and workforce development
6. Fiscal stability	5. Collaboration	E. Resource development
7. Campus facilities master plan	2. Student success	B. Student success and readiness
8. Effective governance	3. Excellence	D. System effectiveness
