Title: Los Angeles Basic Skills Initiative Regional Meeting
Date: Oct. 29-30, 2009
Location: Marriott Burbank Airport Hotel and Convention Center

Description: The Academic Senate will hold four BSI Teaching and Learning Workshops this fall. The focus of these workshops will be on “Maintaining and Enhancing Student Success in Difficult Times: Sustainable, Low-Cost Classroom Practices.”

We are looking for college teams of 5-10 faculty members to participate in the Teaching and Learning Workshops and asking that each college register as a team, including one full-time and one adjunct faculty member per department from any of the following areas: math, English, reading, ESL, CTE, noncredit; a content area faculty member; student and learning support faculty; basic skills coordinator. We especially want to encourage inclusion of faculty who have not attended previous BSI workshops.
